TESTIMONIALS

I wanted to take a moment and extend my appreciation to Mr. Tariq & Clearview Team for the great work done for Royal Enfield Showroom in Dubai.

Clearview Interiors gave the impression that they were 100% on our side, always being flexible and ensuring that all our requirements were met, while never losing sight of the agreed budget.

They followed all the CI Norms standards and gave exactly the same look and feels as our showrooms worldwide.

The communication throughout the project was excellent and they handled any issue quickly and effectively. The project was completed on time and within budget, and Royal Enfield is delighted with the outcome.

Mr. Tariq & Clearview Team stayed close to the project from start to finish and were a pleasure to work with at all times. I would strongly recommend Clearview Interiors to anyone looking for a quality Interior design and Execution.

TESTIMONIALS

Dear Tariq Bhai i am happy to share my experience working with you and your team.

As you know it was Schell n Core office and combining all 4 offices to 1 was a challenge in terms of Designing and other challenge was Civil and MEP works of all offices to break and make it one.

You and your design team fulfill all our requirements initially at the designing stage and then production and Installation set up process was very smooth. You guys took the pressure of us and delivered a flawless office and more important within our budget.

Quality of Painting, Flooring, Lights and electricals was very good and we didn't face any issue with your Air Conditioning works. Everything came out very well whether its meeting rooms, Reception Area and in total entire office.

Thank you so much for wonderful job that you and your team has delivered. As always we will keep on recommending you to our business partners.
